P r i c e L i s t

FLY SYNTHESIS SYNCRO

Full carbon fiber construction

Exterior polyurethane paint (white), aeronautical plexiglass windshield and doors neutral tinted, four point safety belts, two rear 20 Kg + 20 Kg on ground accessible luggages compartments, two luggage compartments accessible through cabin, hydraulic disk brake system integrated on composite main landing gear, brake control on rudder pedals (Lh & Rh), in flight adjustable rudder pedals, dual controls three axes, steerable rudder pedals connected nose landing gear, wheels fairings, cockpit fresh air ventilation system, electric driven flaps and pitch trim with position indicator. Long range wing fuel tanks (65+65 Lt.) with central common fuel valve.

Instrumentation

LX Kanardia Air Dat, airspeed indicator (80mm), LX Air Dat altimeter (80mm), LX Air Dat vertical speed indicator (80mm), Magnetic compass with deviation table, Hour meter Tachometer, Oil pressure indicator, Oil temperature indicator, Cylinder head temperature indicator, Fuel pressure indicator, Fuel Level Indicator (2), Map indicator, Warning Fuel Low Level Light, Aux 12 Volt Power Supply

Engine:

Rotax 912 ULS (100 Hp), Airbox, Carburetor heating sys, Rotax engine mount, Slipper clutch, Stainless steel exhaust system, Rotax engine mount ring.

Propeller:

DUC Three Balde FLASH carbon fiber prop, on ground variable pitch inc. spinner.

Parachute:

GRS 6/600 soft pack installed with internal kevlar ropes.

Avionics:

Radio Funke ATR 833 with headsets (Easa form 1).

Lights:

Tail strobe light (LED).

Documents:

Flight manual (English), Maintenance manual (English), Engine logbook, Aircraft logbook.

Price : 97.400,00 €

FLY SYNTHESIS SYNCRO SERIES OPTIONAL PACKAGES

Rotax 912 Is fuel injected engine (additional)	Price : + 5.650,00 €
Crashworthy long range wing fuel tanks (50+50 Lt) with fire resistant fuel lines	Price : + 3.000,00 €
Engine compartment fire extinguisher system	Price : 840,00 €

Lights

Landing light (Led) on Lh wing	Price : 450,00 €
Wings strobo lights + red and green nav. lights (Led)	Price : 950,00 €

EFIS / EMS / BACK UP UNIT (for Lx Kanardia instruments) (read note)

AvMap Ekp V + cockpit docking station + 2 A2 ADAHRS module, bringing attitude and airspeed to the moving map and converting it into a centralized Glass Cockpit for both navigation and primary flight display (Installed)

Price : 2.850,00 €

AvMap ULTRA EFIS, stand alone unit with a 3.5" ultra bright LCD display. The device contains solid-state gyros, accelerometers, magnetic field sensors, air data sensors and UAV Navigation motion processor that make it the most compact, reliable and complete EFIS of its type (installed).

Price : 1.250,00 €

Dynon Skyview 7" installed with ADAHRS module 1, GPS module, Navigation mapping certificate, backup battery, OAT probe, class 2 transponder

Price : 7.400,00 €

Dynon Skyview 10" installed with ADAHRS module 1, GPS module, Navigation mapping certificate, backup battery, OAT probe, class 2 transponder

Price : 8.100,00 €

LX Kanardia back unit (57 mm) with integrated battery, installed (Asi, Vsi, Alt)

Price : 1.190,00 €

Autopilots

Dynon Skyview 2 axes autopilot servo, installed

Price : 2.250,00 €

TRANSPONDER/ELT/AUTOPILOTS

Transponder

Transponder Funke ZTRT 800 LCD "A-C-S" Mode (installed)

Price : +2.690,00 €

Elt

Ameriking AK451 406 Mhz. (installed)

Price : 920,00 €

Propeller

Alisport Idrovario HS in flight, two blades, carbon fiber variable pitch propeller (Inc. spinner), electronic constant speed prop controller included.

Price : +3.090,00 €

TEXAN TOP CLASS / SIXHUNDRED

Standard configuration:

Two blades fixed pitch Wood Propeller, Spinner, Hydraulic disc Brakes with parking Brake, Integrated Wing Fuel Tank 50 Lt + 50 Lt, Adjustable Seats, Ergonomic Seats w/ Headrest, Three Points Safety Belts, Electric Driven Flap, Electric pitch Trim with switch on central Panel , LX Air Dat airspeed indicator (80mm), LX Kanardia Air Dat altimeter (80mm), LX Air Dat vertical speed indicator (80mm), Magnetic Compass, Slip Indicator, Flap Angle Indicator, Fuel Level Indicator (2), Fuel Low Level Warning Light (2), CHT, Tachometer, Oil Temp. Ind., Oil Press. Ind., Hour Meter, Aux 12 Volt Power Supply, Lateral Pockets, Blu Canopy, Canopy Taxi Opening, Canopy Snap Vents, Cabin Key Lock, Comfort Interiors, Cabin Heating, Ground Fixer, Engine Cowling Cam-Lock, Oil Ctrl Flap, Wheel Fairing, Landing Gear Legs Fairing, Top Tail Fairing RG mod, Low Tail Fairing RG mod, Landing Light, Integrated Stabilator Balancing Mass, full polyurethane paint (white).

TEXAN TOP CLASS R - 450 ROTAX 912 ULS

Rotax 912 ULS, Airbox, Carburetor Cold/warm air Valve, Gearbox Clutch, Extra Oil Cooler, HD Starter.

Price : 77.900,00 €

TEXAN SIXHUNDRED ROTAX 912 ULS (MTOW 600kg)

Rotax 912 ULS, Airbox, Carburetor Cold/warm air Valve, Gearbox Clutch, Extra Oil Cooler, HD Starter, Long Life Flat MLG Legs, Pivoting NLG, Woodcomp Sr 117 W two blades O.G.V.P. brake control on rudder pedals (Lh & Rh).

Price : 82.700,00 €

TEXAN RG ROTAX 912 ULS

Rotax 912 ULS, Airbox, Carburetor Cold/warm air Valve, Gearbox Clutch, Extra Oil Cooler, HD Starter, Retractable Landing Gear.

Price : 97.200,00 €

TEXAN SERIES OPTIONAL PACKAGES

Rotax 912 Is fuel injected engine with Rotax engine mount (additional)

Price : + 5.650,00 €

DEPiS Pack

DEPiS (Disabled Easy Pilot System), Luggage compartment for wheelchair, Electric trim & Flap Controls on cloches. Reinforced root wing skin for easy loading operations.

Price : 5.600,00 €

TEXAN TOP CLASS SERIES OPTIONAL

Airframe

Steel main landing gear legs

Price : + 650,00 €

Engine compartment fire extinguisher system

Price : 840,00 €

Long range wing fuel tanks (65+65 Lt.)

Price : 750,00 €

Props

Woodcomp SR 117 - two blades ground adj. pitch

Price : + 780,00 €

Duc Inconel three blades ground adj. pitch included spacer

Price : + 1.420,00 €

Alisport Idrovario HS in flight variable pitch prop + constant speed box

Price : + 3.990,00 €

Parachutes

GRS 5/560 soft pack kevlar ropes (Top Class only)

Price : 4.900,00 €

GRS 6/600 soft pack kevlar ropes (Top Class/Sixhundred)

Price : 5.300,00 €

Parachute predisposition

Price : 1.500,00 €

Lights

Tail strobo light (Led)

Price : 590,00 €

Wings strobo lights + red and green nav lights (Led)

Price : 950,00 €

Wings & tail strobo lights + red and green nav lights (Led)

Price : 1.540,00 €

Engine instruments

Map 0-35 Hg 57 mm

Price : 195,00 €

Airbox temperature indicator

Price : 220,00 €

Flight instruments

G-meter 57 mm (+10 -5 g)

Price : 290,00 €

Electric turn coordinator (80 mm)

Price : 580,00 €

Radio

Radio Funke ATR 833 + Headset (installed)(form 1 easa)

Price : + 2.310,00 €

EFIS / EMS (read note)

AvMap Ekp V + cockpit docking station + 2 A2 ADAHRS module, bringing attitude and airspeed to the moving map and converting it into a centralized Glass Cockpit for both navigation and primary flight display (Installed)

Price : 2.850,00 €

AvMap ULTRA EFIS, stand alone unit with a 3.5" ultra bright LCD display. The device contains solid-state gyros, accelerometers, magnetic field sensors, air data sensors and UAV Navigation motion processor that make it the most compact, reliable and complete EFIS of its type (installed).

Price : 1.250,00 €

Dynon D100 - installed

Price : 2.990,00 €

Dynon D120 - installed with Rotax probes included

Price : 3.350,00 €

Dynon D180 - installed with Rotax probes included

Price : 3.850,00 €

Dynon Skyview 7" installed with ADAHRS module 1, GPS module, Navigation mapping certificate, backup battery, OAT probe, class 2 transponder

Price : 7.900,00 €

Dynon Skyview 10" installed with ADAHRS module 1, GPS module, Navigation mapping certificate, backup battery, OAT probe, class 2 transponder

Price : 8.600,00 €

LX Kanardia back unit (57 mm) with integrated battery, installed (Asi, Vsi, Alt)

Price : 1.190,00 €

Autopilot

Dynon Skyview 2 axes autopilot servo, installed (wiring included)

Price : 2.250,00 €

Transponder

Transponder Funke TRT 800 LCD "A-C-S" Mode (installed)

Price : 2.690,00 €

Elt

Ameriking AK451 406 Mhz (installed)

Price : 920,00 €

Comfort add-ons

Sliding windows on canopy

Price : 800,00 €

Flysynthesis design full leather cockpit ad seats

Price: 2.400,00 €

TEXAN Club ROTAX 912 UL2 80 HP

Standard configuration:

Two blades fixed pitch wood Prop, Spinner, Hydraulic disc Brakes w/ parking Brake, Integrated Wing Fuel Tank 50Lt + 50Lt, Adjustable Seats, Three Points Safety Belts, Electric Adj. Flap, Electric Trim, LX Kanardia Air Dat airspeed indicator (80mm), LX Air Dat altimeter (80mm), LX Air Dat vertical speed indicator (80mm), Magnetic Compass, Slip Indicator, Fuel Level Indicator (2), Warning Fuel Low Level Light, CHT, RPM Indicator, Oil Temp Ind, Oil Press Ind, Hour Meter, Aux 12 Volt Power Supply, Canopy Snap Vents, Neutral Canopy, Top Tail Fairing RG Model, Lower Tail Fairing, Integrated Balancing Mass, Electric Trim on Panel, full polyurethane paint (white).

Price : 66.900,00 €

TEXAN Club OPTIONAL

Airframe

Rotax 912 ULS engine and installation add-on

(Airbox, HD electric starter, gearbox clutch, big oil radiator included)

Price : +3.650,00 €

Rotax 912 Is fuel injected engine with Rotax engine mount (additional)

Price : + 5.450,00 €

Cabin Heating

Price : 900,00 €

Cabin lock

Price : 250,00 €

Wheel Fairing, Landing Gear Legs Fairing

Price : 1.500,00 €

Ergonomic Seats w/ Headrest

Price : +1.500,00 €

Top Class baggage compartment

Price : +1.200,00 €

Steel main landing gear legs

Price : + 650,00 €

Lateral pockets, Canopy Taxi Opening

Price : 370,00 €

Props

Duc - inconel three blades ground adj. pitch included spacer

Price : + 1.320,00 €

Parachutes

GRS 5/560 soft pack internal steel ropes

Price : 4.900,00 €

Parachute predisposition

Price : 1.500,00 €

Lights

Tail strobo light (Led)

Price : 590,00 €

Wings strobo lights + red and green nav lights (Led)

Price : 950,00 €

Wings & tail strobo lights + red and green nav lights (Led)

Price : 1.540,00 €

Avionics

Radio Funke ATR 833 + Headset (installed)(form 1 Easa)

Price : + 2.310,00 €

Transponder Funke TRT 800 LCD "A-C-S" Mode (installed)

Price : +2.690,00 €

ELT

Ameriking AK451 406 Mhz (installed)

Price : 920,00 €

TEXAN TOP CLASS KIT

Standard kit configuration:

Engine cowlings, R912 Engine mount sys, Engine wiring kit, Engine fuel sys, Oil cooler support, Air filter support, Throttle control cables, Stainless steel Firewall, Dashboard with black instrument panel, Pedals with steering/ rudder control sys, Cabin wiring kit, floor panel, Comfort Interiors, Ergonomic Seats w/ Headrest, Three Points Safety Belts, Blu Canopy, Canopy Taxi Opening, Luggage compartment, Hydraulic Brake system. Fuselage, Wings, Ground Fixer, Ailerons, Flap system, Fuel system, Stabilator, Integrated Stabilator Balancing Mass, Electric Trim system, Rudder, Top Tail Fairing RG mod, Low Tail Fairing RG mod, Landing gear complete, Steel MLG legs, NLG Shock absorber, wheels& tires and relatives fairings. Colored Strip & Company stickers.

Not Included: engine, prop, instruments, electric wiring system

75% Kit*

Price : 56.700,00 €

49% Kit**

Price : 46.300,00 €

TEXAN SIXHUNDRED KIT

Standard kit configuration:

Engine cowlings(to be adapted and drilled), Engine cowling cam-lock, R912 Engine mount sys, Engine wiring kit (to be finished), Engine fuel sys, Oil cooler support, Air filter support, Throttle control cables, Stainless steel Firewall, Dashboard with black instrument panel, Pedals with rudder control sys, Cabin wiring kit, floor panel, Comfort Interiors, Ergonomic Seats w/ Headrest, Three Points Safety Belts, Blu Canopy, Canopy Taxi Opening, Cabin Key Lock, Luggage compartment, Hydraulic Brake system. Fuselage, Wings, Ground Fixer, Ailerons, Flap system, Complete controls systems, Fuel system, Stabilator, Integrated Stabilator Balancing Mass, Electric Trim system, Rudder, Top Tail Fairing RG mod, Low Tail Fairing RG mod, Landing gear complete, MLG legs, NLG leg, wheels& tires and relatives fairings. Colored Strip & Company stickers.

Not Included: engine, prop, instruments, electric wiring system

75% Kit*

Price : 58.900,00 €

** No structural bonding or welding required. Composite structural parts are delivered complete, wings, mobile surfaces, fuselage are structurally finish. Estimate assembly time 1200 hours.*

*** Composite parts out of the moulds, necessary construction of assembly jigs and dedicated assembly tools, structural composite elements to be completed. Parts to be painted. Estimate assembly time 2500 hours.*

STORCH CL / STORCH HS

Standard configuration:

LX Kanardia Air Dat, airspeed indicator (80mm), LX Air Dat altimeter (80mm), LX Air Dat vertical speed indicator (80mm), magnetic compass, slip indicator, RPM indicator, oil pressure, oil temp, CHT, fuel pressure indicator, hour meter, neutral windshield, lateral pockets, adjustable seats, three Points Safety Belts, forward shock absorber, "7075" aluminum alloy main landing gear legs, two blades fixed pitch wood propeller, spinner, snap vent on doors, stainless steel firewall, mass balanced mobile surfaces, dual controls, hydraulic brakes sys, three positions Junkers flapperons, manual trim, Low Fuel Level Warning Light, full composite wing, wing fuel tank 40 Lt + 40 Lt. (LTF version 30 Lt+ 30 Lt.), full polyurethane paint (white).

VERSION POWERED BY ROTAX 582

Price: 38.900,00 €

VERSION POWERED BY ROTAX 912 UL

Price: 50.400,00 €

HS LTF VERSION (LTF Certified) POWERED BY ROTAX 912 UI
(Parachute GRS 5/472,5 Peszke B-line three blade prop. included)

Price: 57.600,00 €

STORCH S

Standard configuration:

LX Kanardia Air Dat airspeed indicator (80mm), LX Air Dat altimeter (80mm), LX Air Dat vertical speed indicator (80mm), magnetic compass, slip indicator, RPM indicator, oil pressure, oil temp, CHT, fuel pressure, hour meter, neutral windshield, lateral pockets, adjustable seats, three Points Safety Belts, forward shock absorber, "7075" aluminum main landing gear legs, fixed pitch two blades fixed pitch wood propeller, spinner, snap vent on doors, stainless steel firewall, mass balanced mobile surfaces, dual controls, flap Angle Indicator, Low Fuel Level warning Light, Acoustic Stall Warning Alarm, hydraulic brakes sys, electrical flap 0-40°, manual trim, wing fuel tank 45 Lt + 45 Lt, full fairings kit (wheels, landing gear legs, tail), in flight accessible luggage compartment net. **Carbon fibre wing**, full polyurethane paint (white).

VERSION POWERED BY ROTAX 912 UL

Price: 53.900,00 €

STORCH S 500 (LSA) VERSION POWERED BY ROTAX 912 UL

Price: 54.900,00 €

STORCH SERIES OPTIONAL

Upper wing strut Fairing Kit	Price : 450,00 €
Steel main landing gear Legs	Price : + 400,00 €
Blue Lexan	Price : + 200,00 €
Wind protections (to use without doors)	Price : 350,00 €
Door locking system	Price : 200,00 €
Cabin heating	Price : 650,00 €
External Aux Power supply with cables	Price : 210,00 €
Auxiliary refuel electrical Pump	Price : 240,00 €

Props

Woodcomp - wood three blades ground adj. pitch	Price : + 720,00 €
Duc - carbon fibre three blades ground adj. pitch included spacer	Price : + 1.120,00 €

Parachutes

Parachute Installation Kit (BRS-GRS)	Price : 700,00 €
Parachute GRS 5/472,5 LTF certified (Kevlar ropes)	Price : 4.000,00 €

Lights

Tail strobo light (Led)	Price : 590,00 €
Wings strobo lights + red and green nav lights (Led)	Price : 950,00 €
Wings & tail strobo lights + red and green nav lights (Led)	Price : 1.540,00 €
Landing Light	Price : 170,00 €

Flight instruments

G-meter 57 mm (+10 -5 g)	Price : 290,00 €
Electric turn coordinator (80 mm)	Price : 580,00 €

Avionics

AvMap Ekp V + cockpit docking station + 2 A2 ADAHRS module, bringing attitude and airspeed to the moving map and converting it into a centralized Glass Cockpit for both navigation and primary flight display (installed)

Price : 2.850,00 €

AvMap ULTRA EFIS, stand alone unit with a 3.5" ultra bright LCD display. The device contains solid-state gyros, accelerometers, magnetic field sensors, air data sensors and UAV Navigation motion processor that make it the most compact, reliable and complete EFIS of its type (installed).

Price : 1.250,00 €

LX Kanardia back unit (57 mm) with integrated battery, installed (Asi, Vsi, Alt)

Price : 1.190,00 €

Radio Funke ATR 833 + Headset (installed)(form 1 easa)

Price :+ 2.310,00 €

Transponder Funke TRT 800 LCD "A-C-S" Mode (installed)

Price : +2.690,00 €

ELT

Ameriking AK451 406 Mhz (installed)

Price : 920,00 €

STORCH CL/HS SERIES OPTIONAL

Carbon fibre wing (10 Kg less standard composite wing)

Price : + 1.800,00 €

Wheel Fairings Kit

Price : 700,00 €

Landing gear leg Fairings Kit

Price : 450,00 €

Beam Tail Fairing

Price : 250,00 €

Wing folding System

Price : + 1250,00 €

Engine cowling Cam-Lock

Price : + 280,00 €

STORCH S SERIES OPTIONAL

Wing folding System

Price : + 1.550,00 €
STORCH CL / STORCH HS KIT

Standard kit configuration:

Fuselage (complete), Wings (complete), Wing Struts, Ailerons (complete), Fuel System (complete), Stabilator, Rudder, Fin, Engine mount, Engine cowling, Instrument panel, Seats, Three Points Safety Belts, Controls System (complete), hydraulic brake system (complete), Wheels, Landing Gear (complete), Doors, Windshield, Stainless steel Firewall.

Not Included: engine, propeller, instruments, electric wiring system, battery

VERSION FOR ROTAX 582 INSTALLATION

Price: 26.800,00 €

VERSION FOR ROTAX 912 UL INSTALLATION

Price: 28.700,00 €

VERSION FOR JABIRU 2200 INSTALLATION

Price: 28.200,00 €

STORCH S KIT

Standard kit configuration:

Fuselage (complete), Wings (complete), Wing Struts, Ailerons (complete), Electrical Flap system (complete), Fuel System (complete), Stabilator, Rudder, Fin, Engine mount, Engine cowling, Instrument panel, Seats, Three Points Safety Belts, Controls System (complete), Hydraulic Brake system (complete), Wheels, Landing Gear (complete), Doors, Windshield, Stainless steel Firewall, Beam Tail Fairing, Full upholstery.

Not Included: engine, propeller, instruments, electric wiring system, battery

VERSION FOR ROTAX 912 UL INSTALLATION

Price: 32.600,00 €

VERSION FOR JABIRU 2200 INSTALLATION

Price: 32.100,00 €

STORCH S KIT 500 Factory Option

VERSION LSA 500

As standard S kit plus MTOW 520kg wings (complete), Steel MLG Legs

Price: +1.800,00 €

Note: term **"complete"** indicates that all hardware necessary for the part assembly is included.

STORCH KIT SERIES OPTIONAL

Upper wing strut Fairing Kit	Price :	300,00 €
Wheels Fairing Kit	Price :	550,00 €
Landing gear legs Fairing Kit	Price :	300,00 €
Beam tail Fairing Kit	Price :	180,00 €
Steel main landing gear Legs	Price :	+ 400,00 €
Blue Lexan	Price :	+ 200,00 €
Wind protections (to use without doors)	Price :	240,00 €
Door locking system	Price :	130,00 €
Cabin heating	Price :	500,00 €
Full moquette kit	Price :	+ 290,00 €
Lateral bags kit (2 parts)	Price :	90,00 €
Basic Electrical Wiring System Kit for Rotax 912	Price :	900,00 €
External Aux Power with cables	Price :	190,00 €
Refuel Electrical Pump	Price :	200,00 €
Engine cowling cam lock	Price :	150,00 €
Push/Pull throttle	Price :	+ 120,00 €

Props and spinners

Duc - three blades Inconel gnd. adj. pitch included spacer	Price :	1.490,00 €
Spinner for two blades prop	Price :	300,00 €
Spinner for three blades prop	Price :	340,00 €

Parachutes

Parachute Installation Kit (BRS-GRS)	Price :	550,00 €
Parachute GRS 5/472,5 LTF certified (Kevlar ropes)	Price :	3.500,00 €

Lights

Landing Light Kit (Led)	Price :	150,00 €
-------------------------	---------	----------

Basic flight and engine instruments kit

LX Air Dat airspeed indicator (80mm), LX Air Dat altimeter (80mm), LX Air Dat vertical speed indicator (80mm), magnetic compass, slip indicator, RPM indicator, oil pressure, oil temp, CHT, fuel pressure, hour meter	Price :	1.850,00 €

STORCH S SERIES OPTIONAL

Wing folding System	Price :	+ 1.200,00 €
---------------------	---------	--------------

CATALINA NG R582

Standard configuration:

Rotax 582 64 hp, Model "E" Gear Box, Efis/Ems Mgl extreme efis, neutral windshield, electric retractable landing gear with emergency system, two blades composite prop, mass balanced mobile surfaces, dual controls, 25+25 Lt Fuel Tanks, electrically actuated flapperons, Mechanical Trim, two full composite seats, Three Points Safety Belts, Full Composite Wings, Fuselage and Mobile Surfaces, Hydraulic hydro-conic Brake, full carbon fiber wheel rims, water rudder, bilge pump. Marine anodization on aluminum parts, full polyurethane paint (white), German Certification @ MTOW 490 Kg (LTF), MTOW 545 Kg in LSA category.

Price : 48.985,00 €

CATALINA NG LF26 D-MOTOR

Standard configuration:

D-Motor LF26 engine, fuel injected, 91 hp, stainless steel exhaust system, 3 ways fuel selector with fuel return line, Efis/Ems Mgl Extreme Efis, neutral windshield, electric retractable landing gear with emergency system, two blades composite prop, mass balanced mobile surfaces, dual controls, 25+25 Lt. Fuel Tanks, electrically actuated flapperons, Mechanical Trim, two full composite seats, Three Points Safety Belts, Full Composite Wings, Fuselage and Mobile Surfaces, Hydraulic hydro-conic Brake, full carbon fiber wheel rims, water rudder, bilge pump. Marine anodization on aluminum parts, full polyurethane paint (white), MTOW 545 Kg in LSA category, full polyurethane paint (white).

Price : 62.050,00 €

CATALINA NG OPTIONS

Carbon fibre wing (10 Kg less standard fiberglass wing)

Price : 1.800,00 €

Parachute predisposition soft pack

Price : 980,00 €

Parachute GRS Galaxy (installed)

Price : 3.900,00 €

Parachute Junkers Magnum 490 Kg MTOW (installed) **LTF COMP.**

Price : 4.250,00 €

Wing folding System

Price : 1.500,00 €

Nautical equipment kit

Price : 400,00 €

Blue windshield

Price : 200,00 €

Helix 3 blades prop carbon fibre

Price : 380,00 €

Avionics

AvMap Ekp V + cockpit docking station + 2 A2 ADAHRS module, bringing attitude and airspeed to the moving map and converting it into a centralized Glass Cockpit for both navigation and primary flight display (Installed)

Price : 2.850,00 €

AvMap ULTRA EFIS, stand alone unit with a 3.5" ultra bright LCD display. The device contains solid-state gyros, accelerometers, magnetic field sensors, air data sensors and UAV Navigation motion processor that make it the most compact, reliable and complete EFIS of its type (installed).

Price : 1.250,00

Radio Funke ATR 833 + Headset (installed)

Price : + 2.310,00 €

Transponder Funkwerk TRT 800 LCD "A-C-S" Mode (installed)

Price : + 2.690,00 €

WALLABY 582

Standard configuration:

Rotax 582 64 hp, Model "B" Gear Box, Dual Ignition, Electric Starter, Altimeter, vertical speed indicator, air speed indicator, magnetic compass, slip indicator, RPM indicator, CHT, EGT, hour meter, neutral windshield, "7075" aluminum main landing gear legs, two blades wood prop, mass balanced mobile surfaces, dual controls, 40 Lt + 40 Lt Wing Fuel Tanks, Mechanical Trim, Full Composite Wings, Fuselage and Mobile Surfaces, Drum Brakes, Three Points Safety Belts.

Price : 27.000,00 €

WALLABY 582 OPTIONAL

Carbon fibre wing (10 Kg less standard composite wing)

Price : 1.800,00 €

Folding Wings

Price : 1.500,00 €

Double Throttle

Price : 200,00 €

Parachute GRS 3-450 Galaxy (installed)

Price : 2.900,00 €

WALLABY 582 KIT

Standard kit configuration:

Fuselage(complete), Wings(complete), Wing Struts, Ailerons (complete), Fuel System (complete), Stabilator, Rudder, Fin, Engine mount, Instrument panel, Seats, Three Points Safety Belts, Controls System (complete), Brake system (complete), Wheels, Landing Gear (complete), Windshield.

Not Included: engine, prop, instruments, electric wiring system

Price : 19.500,00 €

WALLABY 582 KIT OPTIONAL

Carbon fibre wing (10 Kg less standard composite wing)

Price : 1.800,00 €

Folding Wings kit

Price : 990,00 €

Double Throttle kit

Price : 200,00 €

Basic instruments kit

Altimeter, vertical speed indicator, air speed indicator, magnetic compass, slip indicator, RPM indicator, CHT, EGT, hour meter

Price : 1,250,00 €

Notes and conditions

All planes (excluded Kits) are delivered “ready to fly”, are tested on ground and on flight for a minimum of five hours.

All planes (excluded Kits) are delivered with: Flight manual, Maintenance manual, Engine manual. Kit planes other than the above documentation are delivered with assembly manual.

All prices listed are exclusive of VAT.

Products subject to discontinuation without notice.

Prices and products subject to change without notice.

Prices on this Price List supersede all previous Price Lists.

Delivery terms are “Ex Works” according with Incoterms 2000.

Prices and configurations listed are subject to availability and are subject to change without notice.

(+) indicates additional price to standard configuration.

Dynon ad TruTrak products prices must be confirmed due to dollar-euro exchange rate oscillation.

Orders are deemed accepted only after submission of the proforma invoice and down payment of the 35% of the total amount of the proforma invoice, excluded avionics for which the down payment required is 50% of related price.

The balance must be paid at the communication of aircraft finished made by FlySynthesis.

Aircraft Kit notes

All composite parts will be delivered on conditions it comes out from the mould, so it is necessary to trim, finish and paint them before installation. Only on 75% kits all structural parts will be delivered completed and glued in factory leaving to the customer only mechanical joints and relatives adapting and finishing work. In 49% kits structural parts are to be finalized, also through the construction of dedicated templates and assembly jigs whose drawings are not supplied by the kit. The task of building such equipments is only customer responsibility.

The kit includes most of parts needed to assembly the plane excluding the propeller, the engine, engine accessories, instrumentation, wiring system and battery, finishing materials and color.

All Kits are delivered with: Flight manual, Maintenance manual, Assembly manual, IPC.
